

Office Memorandum • UNITED STATES GOVERNMENT

TO :

Deputy Director of Training (General)

DATE: 2 January 1953

FROM : Chief, Junior Officer Training Division

SUBJECT: Weekly Progress Report -- 18 December 1952 - 2 January 1953

2. Interviews were held with four individuals not in the Agency and three individuals already on board. Files of nineteen individuals not in the Agency and three already on board were reviewed.

3. Plans have been completed for the Chief of this division to leave on 11 January to meet with candidates nominated by procurement officers in Kansas City and Chicago. It is to be emphasized that the purpose of this trip is for selection rather than procurement of candidates.

4. We have been advised that five of our "Cadets" who are taking basic training at Lackland Air Force Base were selected, along with one other individual, to do a staff study of basic military training. The report considers each of the principal areas of the basic training program: Purposes of Basic Training, Academic and Field Training, Time and Physical Plant, Flight Organization and Leadership Discipline, Motivation and Morale, Military Law and Regulations, Multiple Management, Communications and Appendices.
